

NEWS LETTER # 2 - 2010

Welcome to the 2nd Newsletter for 2010.
Well what's happened since our last News Letter

Firstly the running of the 2010 A4DE in Portland NSW

An event that saw the quality of Enduro Racing in Australia once again be firmly placed as World Class.

For anyone that didn't go you missed an event with

Trail Sections and Special Tests that would quieten the most cynical a critic and

a Final Moto that, as approached, needed a few moments to fully appreciate its enormity.

And as I approached my reaction was one of quiet breathlessness as I wiped away a tear of joy, then, as a smile slowly appeared across ones face I stood in anticipation of what we were going to see transpire here on this day -

This event also saw Central Coast Dirt Riders reclaim its rightful position in taking out

A4DE No. 1 Club Team - 2010

Congratulations to Mark Buchanan, Murray Auston & Trent Sykes

Also to all the other riders and our Legendary Support Crew

Who without their combined efforts this achievement would not have been possible

*A Special thank you must go out to the tireless efforts of
Mike and Sue Adams, Sandra Hancock and Sandy & Joel Small - Your efforts are greatly appreciated.*
